Licensed child care facilities providing school age care on regular school days may charge up to the maximum daily 3-slot fee (before/lunch/after school care) on behalf of school-age children attending either 2 or 3 slots of care, provided that the facility is open and available to provide all three slots of care. If a facility is only open and available to provide two slots of care to school age children (usually before and after school care) then the maximum 2-slot fee applicable must apply (Appendix 7).

***Enhanced Nurseries are \$5.00 (0-4)**
